

Visits at One Long Beach: The Cottages (3 properties)

2016

June 25, 2016

Another perfect vacation. This was our 4th year coming up to ME and staying in the Cottages. Weather-wise it was the best year yet! The house was perfect as always. All my guests were very impressed and slept well as did me and my girls. We all thank you so much for letting us stay another year in this beautiful cottage. Hope to see you next year!

July 2-9, 2016

This is the 6th year we've been coming to York Beach - 1st as a couple and now as a family with our 2 children, ages 8 and 3. We had an excellent run of weather. The beaches were lovely, the ocean was warm. We visited Ft. McClary, went to the amusement park twice, went to the playground for literally hours. As always, the cottage did not disappoint. Thanks so much!

The Oliveras

July 2-9, 2016

We came up for the 4th of July week for the first time this year. We usually come in mid August. The weather was perfect and we enjoyed being able to see the amazing fireworks on Short Sands. As usual, the cottage was perfect and truly feels like our 2nd home. As always, Ed does a wonderful job to make sure everything is perfect! This is our 11th year staying here and we couldn't think of staying anywhere else. Ed cares about his place, it's always clean in good repair and has everything you could ever need. And Ed checks in to make sure you're happy and we always are.

I can't believe how long we've been staying here! It has always been a good time. The beds are soooo comfortable and the TV's are perfect! See you next year!

Arrived from Harford just before a big storm! After the storm passed through, there was a beautiful double rainbow to the east, right behind the American Flag.

July 24, 2016

Beautiful sunny day at the beach. Tide schedule is perfect this year, with high tide in the early evening, giving us plenty of beach to enjoy in the morning and afternoon.

July 25, 2016

Another gorgeous sunny day at the beach. Spend the evening taking the shuttle up to Ogunquit for dinner at Oarweed. Saw some gray seals swimming around the cove out there.

July 26, 2016

Yet another beautiful day. High tide at 6pm today so plenty of beach to enjoy. Spend the morning at Short Sands, then took the shuttle to Ogunquit and went on the Nubble Light House boat tour, which was great! Saw some beautiful houses, colorful lobster trap buoys and had some delicious drinks. Had dinner at the Inn at the Blues in York.

July 27, 2016

Beach day again. Took the kids to Fun-o-Rama, won lots of tickets and of course, got lots of candy. Cooked out for dinner and capped off the night with some ice cream. Forecast shows rain for tomorrow, so our days at the beach might be done for the week, but what a great week of weather it has been!

July 29, 2016

Rainy day. Headed to Portsmouth to see a movie (Secret Life Of Pets). Sun was out in the evening, took a last walk along the beach, had dinner at the Sand Dollar (great food, but no lobsters?) and ice cream at Wicked Good, which it is.

July 30 2016

All packed up and headed home. Another great week in ME at One Long Beach! Until next year!

The Faunces

June 20, 2015

Had a very nice time for our third stay at these cottages. Had a couple rainy days but the kids loved going to the Seacoast Science Center in Rye, NH, and then to see Jurassic World at the movies. The York Wild Kingdom Zoo is a good bargain this time of year. The kids love being able to walk to the playground and Short Sands. The location of the cottages is very convenient. Our week seemed to fly by. Thanks for the very nice summer rental!

The Gates Family

July 2015

This is our second year staying in Cottage 1. We love it! Our vacation was relaxing and fun. The property is always immaculate, and Ed is extremely helpful should we need anything. WE can't wait to come back next year!

August 15, 2015

We had another amazing week here in our "second home"! We had perfect weather except for one rainy day which gave us the perfect excuse to do some shopping. Each year we look forward to seeing even the smallest changes to the house - we love the paint color!

We've been coming to York for more than 40 years and have stayed in rental homes, houses, Bed and Breakfasts, but Ed's places are truly the best. Well taken care of - outstanding amenities and a home away from home. Next year will be our 10th year and we recommend it to all our family and friends. Perfect location and fun

I enjoy staying here each year. There is always something new to look forward to each year and it always is so welcoming and homey staying here.

Review #12798562 "One Long Beach Cottage"

Well Maintained Property ★★★★★

The cottage is clean, comfortable, and roomy. The property is well maintained and managed in that any issues are addressed quickly and the reservation process is easily done over the Internet. The rental contract terms & conditions are reasonable. My wife and I have rented a cottage for a week in August for many years. The cottage looks the same every year. It is centrally located within walking distance of the beaches and shops.

This cottage served as home base during my wedding and the logistics could not have been easier! It was a well organized and well appointed cottage with a beautiful view of the ocean within just a quick walk. Thank you!

Review #11931816 "Clean modern cottage, perfect location"

This cottage is spotlessly clean, very modern, light and airy. Even though this is a densely-built area, it was remarkably quiet at night. The beds are very comfortable, and the sizes of the rooms are generous, especially the first floor master. The small yard is adorable and was plenty of room for the kids to run around a bit and for us to enjoy a few meals outside on the picnic table. Just a few steps out the door gets you to the playground and beach at Short Sands, the zoo and amusement park are a 5-10 minute walk. We could even see a sliver of the ocean out the master bedroom window!

Ed met us at the cottage to be sure we had everything, and when we did call with an issue he was on the scene in just minutes and fixed it right away. The kitchen is well stocked with plenty of dishes and a dishwasher. There was a huge stack of plastic-ware that was perfect for the kids as well. You can see from the pictures that the kitchen is pretty small, so probably best if you are into simple meals and/or dining

out and storing leftovers in the fridge. (Note: this is not the type of place that has a load of spices and cooking essentials in the cupboards)

If you are in serious need of an Internet connection, be aware that the WiFi is pretty spotty, but we did find that hard-wiring into the Ethernet jacks (available in every room, with a cable in the bin above the fridge) sped things up quite a bit. We hooked up our apple TV in the living room and were all set for entertainment. The Verizon service was great here, with no problems. (Note: there are a very few books, one puzzle, and one board game on hand).

Overall this was a great space and we would highly recommend it.

May 27 - 30, 2014

Ed and Barbara - It has been a wonderful few days here in York Beach. The house has been a joy to stay - very comfortable and a great location. You clearly take very good care of all the houses and we will definitely recommend you to our friends. Thank you from our entire family!

I loved staying in this cottage again. I was about 7 when I first stayed here, and 5 years later, it is still the best vacation ever! The location is beautiful and the cottage feels like home (but better!) the weather is so nice here. I wish we could live in York Beach!

Sincerely, Erin Smith, age 12

Our stay here was lovely. This is our second stay here. We loved last time so much we brought family to enjoy Cottage 2. The house is so comfortable and we hope to come back.

We had another amazing week at our "home away from home"! The weather was perfect - only one rainy day that was perfect for shopping and relaxing.

I enjoyed this vacation so much. The beds were super comfy to sleep in and the house was super roomy to hang out in.

Another great vacation. Next year will be our 10th year and we would never think of going anywhere else - and Ed oversees everything to make sure everything goes smoothly.

The Silverman Family from MA; Craig, Kristen, and Brittany

See you next year - our 10th year here!

August 23, 2014

We had such a great time during our week at York Beach. The weather was perfect and we had much of the beach to ourselves each afternoon. It's so nice being here at the tail end of the summer when most kids have gone back to school. This made it possible for our almost 2 year old to run free on the beach, which was her favorite thing. The cottage is in the perfect location - we didn't have to use our car at all, which was wonderful. Everything here is so clean and well kept. Kudos to Ed and Barbara! Thanks again!

The Wilson Family, Hudson, NH

Ed and Barbara, Great vacation it was! Perfect. The place, the waffles, location. The babies loved the beach. We plan on many memories here! Nice meeting you both.

July 16-23, 2013

Dear Ed,

First let me say Thank You for providing such a lovely rental option in York Beach. My family and I spent our 10th year in York Beach and One Long Beach is by far the best rental property we've stayed at. Not only were the accommodations everything we needed and more, you couldn't have been more pleasant to work with and responsive to our needs (the lock issue). Our rental neighbors were great and we got along perfectly. All in all, it was just a perfect week.

Mary

July 27 – August 3, 2013

Very clean and well maintained cottage. We had a great time and will definitely come back. Thank you, Ed!

August 3, 2013

We enjoyed another amazing week in our "home away from home"! Everything was perfect in the house as always! We had a couple of rainy days and didn't mind at all because of how comfortable it was to relax in the house. We did have several wonderful beach days as well so it was a perfect mix!

All of the beds are comfy to sleep in and the tvs have my favorite channels. It was a perfect vacation.

Brittany, 10 and $\frac{3}{4}$ yrs old

Looking back it's hard to believe this was our 8th year here. It never gets old. I've been coming to York since I was 5 (over 40 yrs). This truly the best place we've found. Looking forward to coming back for our 9th year.

We can't wait for next summer!

Craig, Kristen and Brittany

August 3-10, 2013

Very enjoyable week! Loved the cottage! Especially enjoyed being able to park the car and just leave it as we could walk to beaches, activities and to sight-see! Thank you!

Sept 9-12, 2013

Hi Ed, Just wanted to thank you for a great stay in York. We loved the cottage! Very clean, comfortable, and convenient. We hope to be back for Pumpkinman next year, if not sooner. This "cottage" was wonderful! Furnished well and tastefully. We were all so comfortable. Fantastic. The weather reminded us of home.
Great. Thank you!

We loved the Main House and Cottages and had a delightful stay (in spite of a lot of rain). I ended up having a super crew help me clean and leave it in order, so I was happy with how we were able to leave it - but please know that it was lovely and we totally enjoyed the location. Just wonderful.

Thank you!

July, 2012

Thank you very much for this wonderful cottage. It was just what we were looking for and especially immaculate. We appreciated the calls to check that all was well during our stay. We loved having our family members close by in the "big" house as well. Thank you for our great stay.

We spent a wonderful week with perfect weather in this wonderful cottage/home! Everything was perfect, air conditioning, comfortable beds, immaculate facility!! We look forward to returning. Perfect vacation with our gorgeous twin grandbabies.

Excellent accommodation! It was a pleasant surprise to find that everything was to a high standard. It is always good when you've traveled such a long way to find things just right. It makes the holiday much more enjoyable. Our son is on a gluten and casein (??) free diet so we have to cook all of his food and we had everything we needed. Well done, Ed and Barbara!

7 triathletes in two units at One Long Beach.... With supporters! Like last year, we had beautiful weather and great beach time... which set us up for awesome races at PumpkinMan (1.2 swim, 56 bike, 13.1 run) in Berwick. The only thing that would have made it better would have been if Ali could have been out there racing with us. But we'll be back next year and baby Aiken can cheer her on – and Kristen can defend her first place finish. Can't wait for another beach weekend, race and lots of "sunglass" shopping!

Sept 14, 2012

Thanks, Ed. We had a great stay for my brother's son's wedding. Great weekend, accommodations were wonderful. Our family will be back for another trip and relaxing weekend. Thanks again so much.

Molly- VT

Wow this place is amazing!

Although we had our share of rain and thunderstorms this week we still had a wonderful time. We ate enough ice cream to last us a lifetime and watched hours of movies. The house was beautiful and this was the perfect week to just get away and relax.

The weather was so bad but movies, shopping and ice cream made things better!
This place is amazing. What a week!

What a treat to have a rental cottage in such pristine condition. It really did feel like home. This central location allowed us to deal pleasantly with a few rainy days and always the beach was calling in sun and storm. We will be back.

May 29, 2010

Fantastic! Thank you, Ed. We were in Cottage #1 and we were extremely pleased with everything! It was only the two of us and there was plenty of room to spare. We felt pampered and special. The cottage was very clean and well supplied with the necessities. We had the pleasure of meeting Ed, personally, and knew that should we have needed anything at all, Ed would be there. However, nothing was needed for the

two weeks we were there. The Cottage is within very easy walking distance to the beach and beach activities, stores, and restaurants. Because we come to the York Beach area every year to visit with family and rent a house for our stay, we believe we have found a jewel. Thank you Ed. We look forward to coming back.

Fantastic property, close to everything. We had an amazing time visiting York and this cottage made for a great home base. Everything is new which was nice and the bed's very comfortable. We stayed here with 4 teenage girls and the upstairs was perfect for them - two bedrooms and their own bathroom. Walked everywhere!

August 7 - 14, 2010

The house is awesome! My mom and Dad bought this place for a week and she is here with her friend, her daughter and I. Her other friend is coming with her son. We have always stayed in Ogunquit this is our first time staying in York. The ocean is so beautiful! I love my bedroom (the yellow one) but all of the bedrooms are nice! I love the hardwood floors and tiles. This is the best place ever! It's like a home and the TV is the best, it swivels! Thanks Ed, beautiful house!

August 27 - September 4, 2009

The Lamberts & Craig families had a magnificent stay in cottage 1 and in York Beach. The location is perfect for everything! We enjoyed runs along the shore and surrounding neighborhoods; a two minute walk to the beach which we hung out at 6 of the 8 days we were here; wild kingdom was a hit with the kids too! Loved the local stores and restaurants too! The house was well stocked/equipped and we grilled almost everyday, used the lobster pots for a number of yummy meals, met wonderful neighbors/other visitors and the kids loved playing with each other in the yard. So relaxing and we definitely plan on returning again very soon!! Thank you for everything!

August 30, 2009

We had such a wonderful relaxing vacation! Your home is beautiful super clean and even partially baby-proofed which we greatly appreciated. We had gorgeous weather except the hurricane the day of our friends wedding and the kids had a blast at the beach. Thanks so much and we hope to be back next year! P.S. Our son loved your stairs and took his first steps in your house.

September 26 - October 3, 2009

This was a great place to stay- all the convenience of home!

October, 2009

This cottage is so much bigger than we thought! It was laid out so well, was well equipped with everything we needed and more and is across the street from the beach! It is only a few minute walk to everything and not in the middle of all the hubbub. The most perfect location! This place is spotless and felt like home. My sister and I left our husbands at home and took our kids on a week vacation together. We spent most days at Short Sands beach and a few afternoons at Yorks Wild Kingdom, all just a few minutes walk from the house. We grilled outside the house every day and enjoyed the yard, neighbors and shopping and eating in town. We also cooked many meals at home and the kitchen was equipped for everything including a lobster pot and wine glasses!! There was both china/glassware and plastic dishes/cups a nice option with kids. We loved having a washer and dryer with three kids in the house (and it was so quiet we were able to run it at night.). The dishwasher was a great time saver and the wood floors made it easy to keep the place clean. The Wifi was a nice amenity as were the TVs in the two bedrooms and the family room. Granite counter tops in the kitchen, a dining table to seat 6 or more, FR seating for 5 or more and a large picnic table outside made it easy and enjoyable for us to entertain our friends when they came to visit. We loved this place so much I almost don't want anyone to know about it so it is available when we want it again but I could do that to the owners. They were so wonderful to us and really helped

make our stay fantastic and relaxing. There is nothing I would change about the cottage and nothing we could think of that was missing. It was just perfect! We can't wait to return!

What a beautiful place! You did an amazing job on the houses and cottages. We are so impressed! The location is perfect. I loved being able to walk into town and the kids were thrilled to be able to walk to the playground and the beach. We loved York Beach and the surrounding towns. Browns ice Cream was the best! Thank you for a wonderful vacation!

June 30, 2006

Great vacation, great place! We all had a great time!

July, 2006

The house was great reminded me of a friends house which made me feel at home! It was close to town and the beach. A great yard for playing, great for young kids, I loved it!

July 1- 8, 2006

The Sullivan family had an unbelievable time at York Beach, ME. I went to the beach and the wild kingdom. It was soooo (X a million) fun! The houses were great; they were the best we have rented so far. Thank you for making my awesome family vacation complete. Thanks!

July 4, 2006

We had a great time. We really enjoyed the house, our only suggestions is to improve the parking situation (it's tight by the fence). The place could not have been better. We look forward to many years of memories.

July 8-15, 2006

Thank you for a wonderful and enjoyable stay. The house was great and the area was just perfect for the kids.

July 8-15, 2006

Another great week in York. My daughter and her friend love the area and enjoy the beach. The neighbors were friendly and respectful. The house was clean and comfortable. I was gladly able to get some much needed R&R. Hope to return next year!

July 21, 2006

Ed, another amazing week! The weather cooperated and the accommodations were once again exceptional. Thanks for sharing your beautiful place by the sea.

July 29, 2006

Thank you so much for the enjoyable stay! We loved the air conditioning! The parking was just a little too tight, it was hard to get in at times. Thank you again hope to see you next year.

August, 2006

We had a wonderful time. The beach was wonderful, the town was precious. The kids enjoyed the wild kingdom as well as the park. The house was spectacular and so useful. It was a nice change and a wonderful vacation!

August, 2006

Back again for two weeks. The weather was wonderful, one cloudy day. Of course with three children we did the zoo, Fun-o-rama, amusement park and waterslide. Had a wonderful breakfast at the stolen menu café - you must try-daily specials ... yummy! Dined at Cape Neddick Lobster Pound, great food! Of course we had lobster three times and steamers. I think we all put on some pounds. First week our neighbors were from MA- they had children, we all had a blast. Hope they come back next year! Second week a family from Washington - 2 great kids- we all got along! Had such a wonderful time, be back next year. Stay in touch and enjoy the rest of the summer!

August 4, 2006

This was our first time here and it was wonderful. My mom and dad rented all three cottages for 4 of their children and their spouses and 5 of their grandchildren. I just wish all their children could have been here with us. I haven't spent this much time with my family in a long time and it was great. I haven't laughed so much in a long time. The children were my favorite part. They seem to make everything better. Thanks mom and dad hope we can do it again soon.

August 5 -12, 2006

This was our first week-long family vacation and it was a wonderful place! Our three year old daughter loved the beach, the shops and the animal kingdom and that we could walk to all of those places was great for us! The house had all of the amenities of the best hotels but all of the comforts of home too! We are already looking forward to coming back next year to make more family memories. Than you for a wonderful place!

August 19 – 26, 2006

Truly enjoyed ourselves. First time we've gone on vacation for a week as a family (and worth it!). Kids loved the beach and York's Wild Kingdom. We loved the close proximity to everything (shops, restaurants, & beach). Hope to be back next year!

August 19 - 26, 2006

We had a great time this week. The house is beautiful and had all the comforts of home. We enjoyed the beach, shopping, wild kingdom and just hanging out in the back yard. See you next year!

August 26 - September 2, 2006

This house is absolutely wonderful! We've come up to York Beach for years and never before found a place that felt so much like home. We'll definitely be here next year. There's so much to do up here, that even lousy weather and a blackout couldn't slow us down. We have 4 kids ages 4 up to 9 and they' have been so relaxed, loved the short walk to everything. They told us this was a great vacation one of the best they can remember. (Okay maybe not so impressive from the 4 year old but pretty remarkable for the rest of them). They especially liked that this was a kid friendly home for them (last years spot was not, they were afraid to move around there!) This made for a nice and relaxing week for all. I can't remember the last time that all 6 of us went away for an entire week and didn't feel like we needed a vacation from our vacation. Thank you for helping to make this a nice and relaxing time for us all.

2005

2005:

Great place! We loved all the "extras" that have been included. Our vacation weather was perfect, making this an absolute fabulous vacation!

Great time had by all. Windows open all week but the water was cold! The house was a great fit for our family and the location is outstanding!

What could be better? We had a wonderful week of family fun and sun! Thanks for all the wonderful accommodations. They were beyond our expectations. See you next year!

Great job making this house so homey! All the comforts of home right by the beach! This house lacks nothing but TLC from everyone who uses it. Great job!

This cottage or should I say "condo" is fabulous. We came last year and this is "the Ritz" compared to last year. I love the idea of central air and the washer and dryer; it makes life a lot easier. If anyone needs any type of car repairs go to Bobs Automotive" he is located about 6 miles from here!

July 9 - 16, 2005

We had a wonderful week! The weather was great we spent every day at the beach. Our daughter Karen visited with 4 of our 9 grandchildren and they loved York Beach too! We have been coming since I was a child & hope to return here again next year! Thanks for your lovely home and hospitality!

July 9 - 18, 2005

Our visit might be a little different from the previous visit. We have been renting here in York for 7 years and your house has been the best yet! We hope to return next year! The week was perfect! Great weather, nice neighbors and a great location! This house was immaculate, just enough room and very comfortable. Thank you for a wonderful time!

July 23 - 30, 2005

We had a great weather week. The children ages 4 & 1 had a lot of fun with all the neighbors. The house was comfortable but in need of a better sitting area. WE were so glad for a washer and dryer with two little ones. It was great.

August, 2005

Hey, we love this place it is soooo awesome! Me and my family rented all three of the houses!

August, 2005

We had such beautiful weather. We are all so dark! Went up to Sals ME yesterday Fun Town USA had such a wonderful time. Exhausted! The baby took many a first steps in this house - one memory I will hold dear. As for the other children well they are your typical 4&5 year-old boys - they did however love love love the ocean and the sand. On with our last supper: 2lbs a piece of Maine lobsters. Thank you Ed & Barbara for a wonderful stay. Hope to see you next year! Your house had such a feeling of warmth - fantastic job.

August 6 - 13, 2005

We rented cottages 1-2-3 for a family reunion with 4 families. The set up and location was excellent. The AC was key on some of the very hot days. Having three kitchens and 3 washers & dryers was also great. Thanks for sharing your homes with us. They are really nice. Continue to add items to the kitchen - wine glasses, casserole pans, etc. Thanks again we had great weather too - that always helps!

August 13, 2005

Just arrived and I must say I'm quite impressed. The place is great, nice and clean. It's myself, my husband and our three wonderful children. I have been coming to York since 1978 stayed at many places and so far this is great. Our daughter joined us for a visit from Boston! She is engaged and wedding planned for September 2006. Weather doesn't look too promising for tomorrow so maybe the zoo!

October 16, 2005

We had a girl's weekend and it was wonderful. It rained almost all the time but it didn't faze us. We went shopping and ate everywhere! We are looking forward to next year and many more to come.
